

MisterFuzzyB Is Only One Person Who Makes Music Which Sounds Like A Lot Of People. Here You Can Read An Interview With Him In October-2021

Please Tell Me A Little Bit History Of The Group?

-It's A Long Long Story... I Played Ten Years In A Cover Band Of The RHCP But My Aim Was To Write Our Own Songs In Parallel Under The Name Of **Femme Fatale** Which Released A Great Album In 2010 .

But Ten Years With More Than 1000 Gigs In Europe Was A Huge Thing And It Was Also Bad For Our Relationship. So In 2013 I Quit The Band With The Desire To Go Solo And To Play All The Instruments And Sing. It Took Me Four Years To Find My Voice With Intensive Singing Lessons, And In 2017, I Recorded My First Album "**Chapter One**". It Was Released In Numeric Format For The French Label XPlouse Music, And In CD In 2018.

Please Tell Me A Little About Every Member In The Group Right Now, Age, Family, Work, Interests And Something Bad About Everyone? Earlier Bands? Other Bands On The Side?

-This Is Just Me! I Do Everything By Myself (Guitars, Bass, Keys, Drum Programming, Vocals And Backgrounds Vocals) And I Recorded It By Myself Too, Doing The Mix And Mastering! It's 100% MisterFuzzyB DNA!

Obviously I Had To Hire A Band For The Tour Of The First Album, A Power Trio With Two Girls On Bass And Drums. But For The "Pain & Euphoria" Tour I Want The Best Musicians In Town 'Cos There Are So Many Background Vocals So They Must Be Good Singers Too.

I Can Hear Much Different Influences And I Mention Bands Like Nirvana, Blur, Oasis, Franz **Ferdinand In -My Review ? Favorites From The Past?**

It's Weird 'Cos I've Never Been A Nirvana And Oasis Fan, But For Blur Yeah Gotcha! It's True I'm A Huge Fan Of The Band And Of The Solo Career Of Graham Coxon Too, And Yes I Like Franz Ferdinand.

MisterFuzzyB Are You Satisfied With The Name? How Did It Came Up? What Does It Mean? You Weren't Afraid That Some Other Band Would Be Named Like This? Which Is The Best Bandname You Know?

-It Came Out When I Was On The Road With My RHCP Cover Band, The Singer Often Introduced Me To The Audience As Mister B From My Real First Name Bruno, And Later, As I'm Fond Of The Fuzz Pedal Effect And The Meaning Of A Fuzzy Personality, I Stuck It All Together. So Here I Am, Bruno Dumarais Under The MisterFuzzyB Stage Name.

What'S The Best Thing With Playing Live? Have You Done Any Since The Covid Came?

Psychedelic Resort This One Is Particular. In The Middle Of The Writing Of "Pain & Euphoria", I Had A Writer Block And I Was Terrified And Fell In Deep Depression, So I Went To A Psychiatric Hospital For One Month And They Helped Me With My Fears And Blockages Very Efficiently.
